### *How To Start Your Registry*

Register with Mountain Travel Sobek for your dream adventure honeymoon. We will assign you a Mountain Travel Sobek sales specialist to whom you can direct all of your wedding guests. Your guests then phone a special 1-800 number to speak with the specialist and make cash gifts toward your adventure honeymoon. You can then redeem the total and apply it toward any of Mountain Travel Sobek's 100 adventures in 65 countries around the world.
