Meet Our Guides

Our expert guides and trip leaders are truly the key to our trips’ success. Many are locals who live in-country year-round; others have made it their second home—all are passionate, enthusiastic and endlessly knowledgeable. Meet two of the guides that might be on your trip.

Jeremy’s love for New Zealand’s wild places comes from his early years where he spent most weekends and holidays roaming the National Parks of New Zealand. As an adult he’s continued that, and spent the last 15 years working as a freelance mountain biking, hiking, and sea kayak guide in New Zealand, Turkey, Ireland and Scotland. When he’s not guiding for MT Sobek, he’s studying for a degree in Environmental Studies, examining maps, planning adventures, and working with school groups near his home in the beautiful Marlborough Sounds in the South Island.

Jeremy Martin

Raised in the Thames Valley of the North Island, Chris is a fourth generation New Zealander. Her childhood involvement on the family farm ignited an enduring connection with nature and the outdoors. Chris enjoys all types of Outdoor pursuits and has hiked, climbed, kayaked, cycled, sailed and skied into many of the remote corners of New Zealand. She derives so much pleasure in sharing and exploring her spectacular country that she undoubtedly enjoys her trips every bit as much as her guests.

Itinerary

DAY 1
ARRIVE IN BLENHEIM
Meet your MT Sobek representative outside of arrivals at the airport in Blenheim. This is the heart of Malborough’s renowned wine country, famous for its excellent sauvignon blanc. Relax with lunch at one of the winery restaurants, then check into your hotel. Gather in the evening for a welcome dinner at another winery with the group.
Meals: L, D

DAY 2
START THE QUEEN CHARLOTTE TRACK
Take a stroll around the town of Picton, then set sail across Queen Charlotte Sound towards Ship Cove. Begin your hike on the Queen Charlotte Track, which takes you through a lush coastal forest preserve of tree ferns, nikau palms, and other plants. Stop at the remote Furneaux Lodge, which overlooks the calm, clear water of the bay and is surrounded by virgin forest, unchanged since Captain Cook’s first visit to the inlet in 1770. Part of the beauty of this historic destination is the isolation: no roads lead here.
Activity: 4–5 hours/9 miles hiking with 1,542’ elevation gain & loss
Meals: B, L, D

DAY 3
CONTINUE ON THE QUEEN CHARLOTTE TRACK
After breakfast, walk to Punga Cove to take in great views of the Marlborough Sounds before taking a boat ride around Queen Charlotte Sound. The Punga Loop section of the track generally follows the coastline around Endeavour Inlet, much of which consists of regenerating native bush, with a predominance of manuka, kanuka and five finger. Once back in Picton, begin your journey to Nelson. Situated at the top north-west of the South Island, it is the sunniest region in New Zealand, with long, golden beaches, untouched forests, and rugged mountains.
Activity: 3–4 hours/7 miles hiking with 950’ elevation gain & loss
Meals: B, L, D

DAY 4
SEA KAYAK TO TONGA ISLAND
Start early for an invigorating day of sea kayaking in Abel Tasman National Park. Start at the northern beach of Onetahuti and paddle to Tonga Island, where you can watch a colony of sleek, black seals in their natural environment. Tides permitting, explore the spectacular Tonga Arches and enchanting Shag Harbour, or head
south to Bark Bay followed by a lazy drift on Falls River. Stop at a dreamlike golden sand beach for a picnic lunch before returning to Nelson for the evening.

Activity: 4–5 hours kayaking
Meals: B, L

DAY 5

RAFT ON THE BULLER RIVER

Don a wetsuit and put in for a raft trip on the Buller River. Experience exhilarating, Class III-IV whitewater rafting as the water surges through granite gorges topped with lush beech forest. Activity: 2 hours rafting Class III-IV rapids
Meals: B, L, D

DAY 6

HIKE AT PAPAROA NATIONAL PARK

Spend the morning hiking near Punakaiki in Paparoa National Park. Continue on to the town of Hokitika and take a stroll through the spectacular Hokitika River gorge. Activity: 3 hours/6 miles hiking with 460’ elevation gain & loss
Meals: B, L, D

DAY 7

EXPLORE OKARITO

Continue south to the seaside hamlet of Okarito and hike through lush rainforest on a trail above the ocean. At the top, take in 360-degree views of the area, including wild coastline and the glaciated Southern Alps towering dramatically above the rainforest. On a clear day, enjoy stunning views of New Zealand’s highest peak, Mt. Cook
End the day with a hike in the valley below Franz Josef Glacier. Tonight, dinner is on your own.

Activity: 2–3 hours/3-6 miles hiking with 518' elevation gain & loss
Meals: B, L

VISIT FRANZ JOSEF GLACIER

Set out on a morning hike to explore the Franz Josef area on foot. If weather permits, book an optional helicopter ride for aerial views of glaciers and mountains, or book the highly-recommended "Heli-hike" package that takes you onto the glacier by helicopter. Strap on crampons and follow ice steps cut by the guides on a route that takes you through crevasses and ice ridges and leads you onto the middle of the glacier for spectacular views of the icefall and lower glacier.

Activity: 2–3 hours/6-7 miles glacier hiking
Meals: B, D

WILDERNESS ADVENTURE BY AIR & BOAT

Head inland by private transport and follow the Haast River. Board a helicopter in Makarora and enjoy a spectacular flight into the heart of the 2.7-million-hectare South West New Zealand World Heritage Area, or "Te Wahipounamu." After exploring this incredibly remote and beautiful area, hike alongside the Wilkin River through lush rainforest before meeting your jet boat for an exhilarating ride back to Makarora. Transfer to the Southern Lakes District, where deep blue lakes are surrounded by large snow-capped mountains, and arrive at the idyllic town of Wanaka.

Activity: 3 hours/4.5 miles hiking with 460' elevation gain & 1,115' elevation loss
Meals: B, L, D

HIKE TO THE SPECTACULAR ROB ROY GLACIER

Take an awe-inspiring drive to Mount Aspiring National Park and hike up to the Rob Roy Glacier. This spectacular area was the setting for The Lord of the Rings, and it’s one of the best day hikes on the South Island. Hiking up a narrow glacial valley, take in views of tumbling rivers, towering snowfields, and lofty mountain peaks. Travel
through forest to a dramatic alpine cirque with fabulous views of the Rob Roy Glacier towering overhead. After lunch, return to the trailhead for a drive back into Wanaka.
